

INTERSTATE'S StarAuto program offers identical coverage for both New and Used vehicles. From basic powertrain to exclusionary coverage, Interstate's StarAuto is designed for simplicity and ease of operation for our producers, agents and customers.

Each of our customers is unique. That's why StarAuto has an array of superior programs that can be tailored to each of our customer's needs. Whether they demand the comprehensive StarAuto Diamond plan to cover virtually every factory- or dealer-installed component or

our solid StarAuto Power program with basic powertrain coverage, StarAuto offers a valuable program to protect our customer's investment.

For general information only. Complete terms and conditions are contained in the Contract terms and conditions application. Please read it for complete details.

INTERSTATE'S STAR LINE-UP
